Testimonials

“As a startup without a website, Razorpay payment pages helped to open Urdu course batches, collect fees while providing most of the necessary details that someone meaning to enroll would need. Collecting payments became much easier and hassle-free for me after I started using Razorpay.”

Akshita Nagpal

Freelance Journalist,
and Urdu Teacher

“Postcard’s customers, particularly the slightly older folk got accustomed to Razorpay’s simple interface and reliability, which gave them the confidence to prepay their orders. The service support from Razorpay enabled them to grow aggressively.”

Ashish Nichani

CEO, Postcard

“Razorpay Payment Button has been of huge help in enabling me to streamline fee payments on my website. I no longer receive complaints from students about not being able to use their preferred payment mode while booking a class”

Mandar Marathe

Fine Artist and Illustrator

Free Credits worth INR 10,000/- for Amazon Sellers

All Amazon sellers part of this program gets free credits worth **INR 10,000/-** upon signing up on Razorpay.

What are free credits?

Free credits are the credits against which you can receive payments without any fee deduction.

For example, if you have a credit of ₹10,000, you will not be charged any fees for payments up to ₹10,000/-.

Amount credits might be assigned to your account during sign-up if Razorpay is running any promotional campaigns.

How to view free credits?

You can view the amount credits assigned to your Razorpay account.

To view amount credits history:

- Log into the [Razorpay Dashboard](#).
- Navigate to **My Account** → **Credits**.
- Click **Past Coupons** under **Amount Credits**

Sellers need to sign up on Razorpay's platform as Merchants via Landing page link to avail free credits.

Terms and Conditions

1. Any offers or discounts related to free credits are not valid for unregistered businesses who accept payments via Credit Cards. However, the same offers can be utilised through payments accepted via other payment modes such as Debit Cards, wallets, UPI, NetBanking, etc.
2. Unless otherwise agreed in writing, all free credits (including related offers and discounts) are valid for a period of 3 months from the date of issuance post which the credits will automatically expire. The free credits will be removed from your account post expiry.
3. All signups will be governed by the overall Terms & Conditions of Razorpay. Razorpay reserves the right to change these terms and conditions at any time without any prior notice.
